Maths

During this half term we will be working on place value of numbers up to and including 10. We will then be moving onto addition and subtraction of numbers within 10.

We will be doing ongoing work throughout the school year on number bonds, counting and will begin to explore our twos and fives.

Science

Seasons

In this topic, children will explore the four seasons. We will be looking at the different weather patterns experienced in each season, as well as the different holidays that take place in these seasons.

Characteristics of Learning

Perseverance	Listening
Team work	Kindness

Wow Moment!

Year 1 will be taking a trip to Windmill Animal Farm in September.

Homework and Reading

Please make sure children continue to complete their homework weekly and reading books are returned daily.

English

As the children embark on their writing journey our main focus for the first term is sentence structure and encouraging the children to feel confident with building sentences. We will be really focusing on our literacy skills which will impact the quality of our writing later on in their school journey.

We will also be reading a variety of different books to inspire a passion for reading.

Art and Design

Drawing: Mark Making

Children will be introduced to mark marking in Art.

They will use different types of media to enhance their designs.

Religious Education

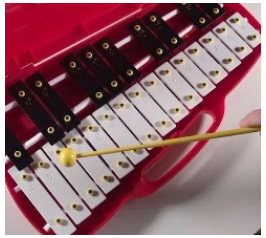
Harvest

The children will be learning about Harvest in Christianity by looking at why Christians celebrate Harvest and why people are thankful to God. We will look at how different religions celebrate Harvest time throughout the world.

Music

Keeping The Pulse

We will be looking at finding the pulse in music using our bodies to show beats, as well as learning to play a rhythm to the pulse of a piece of music.



Phonics

We will be recapping our Phonics learning from Reception. We will revisit our sounds and how segmenting and blending can assist in our reading.

supersonic Phonic Friends

Forest School

Our forest school date will be confirmed in the coming weeks.

Physical Education

PE will take place on Monday each week. On Friday, PE will be taken by Wigan Warriors player Anna Davies where they will be taught the fundamental skills.

Children should have a St Anne's PE kit in school which will be sent home at the end of the half term.

Geography

What is it Like Here?

In Geography, we will be learning all about our school grounds, our local area and where in the world is the UK.

We will also be looking at how to read a map correctly, including the use of symbols to represent points of interest.

History

How am I Making History?

In History, we will be learning all about events that have taken place in our lives and how they may differ from people in the past, such as older family members.
