Sponsorships forms are due back in school with money collected on Thursday 8th February.

**Turning Disability into Possibility**

We had the pleasure of Bartholomew Gee visiting school this week, Bart is an inspirational Christian speaker and disabled musician.

Bart shared his journey and some of his incredible achievements such as swimming 1500m at the Cotswold Water Park!

The children took part in activities by completing the tasks as if they had Bart's disability, One task was a handwriting task holding the pencil as Bart would and then trying to complete the task to see what obstacles he has to overcome.
