

St. Anne's news

"With God and each other: aiming high to achieve our best."

Headteacher: Miss L France

February 2021

We are very proud of everyone in our school and at home community

Mr Roughley has put together another wonderful video showing photos of things we are proud of (School's Facebook). Even though this is just a small collection of things we are proud of ,we know you are all doing your best to look after your families, manage online work, keep safe and all the usual things that keep your families going.

We really miss having you all together in school and to help pass this challenging time we are planning fun things we can do together online. Please keep checking our Twitter and Facebook pages for updates.

Please continue to look after yourselves, try to get in a walk (especially on sunny days), a hug from a loved one at home, for yourself (5 mins peace and an occasional treat on a busy day!).

Free school meals– food parcels

We will be continuing with the food parcels from Metro-Fresh for the time being. These are delivered to school each fortnight. If you have requested one you will be notified via text. If your child has a Free School Meal and would like to be added to this list please ring or email the school office.

Laptops and internet access

Is anyone having trouble accessing Google classroom from home? Or experiencing broadband issues. We may be able to help. Please contact Miss Bowers in the school office.– 01942 511348

Half term– Monday 15th-Friday 19th February– There will be no online or in school lessons during this

Risk assessments

Please follow Covid guidelines. If your child or anyone in your family has reason to get a PCR COVID test, please do not come into school, or any other public place, until you have a negative result. Let school know via the enquiries@ email address (Marked POSITIVE) if you or anyone in your family has a positive result (if you are attending school).
