

SCHOOL NEWS

STANDISH LOWER GROUND
ST ANNE'S C.E. PRIMARY SCHOOL

HEADTEACHER: MISS L FRANCE, B.ED (HONS), NPOH

We are deeply saddened to hear the news that Queen Elizabeth II has passed away and we would like to extend our heartfelt condolences to the entire Royal Family.

WELCOME BACK EVERYONE!

"A new school year means new beginnings, new adventures, new friendships, and new challenges. The slate is clean and anything can happen" ~ Denise Witmer

Wear it with pride

We appreciate all your support regarding the children's school uniforms at the start of this academic year in which they look very smart and ready for the year ahead. All children will change for PE in school, they should not arrive to school in their PE kits.

Please note that all jewellery and false nails are not to be worn inside of school as they may cause accidents to the children and others around them. Please ensure these items are removed before arriving to school in the future.

Autumn months

As our lovely summer draws to an end and the rainy (and unpredictable) weather draws closer, we ask that all children bring a coat with them every day as we always try our best to take children outdoors to play, even in wet weather.

Every day counts

We want to see children improve their attendance even more this year by being in school every day when possible. If for any reason your child will be absent due to being ill and/or contagious please remember to email or ring the school office before 9am to let us know the reason of their absence.

Please also be aware of the government guidelines which state that holidays cannot be authorised within term time and failure to attend school is a safeguarding concern.

Our Christian Vision

Matthew 5:16 *In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.*

Letting our lights shine means allowing the light of Jesus to radiate from us, lighting up our path so that we can:

- Realise our potential
- Show others the best we and they can be
- Transform and improve society, by our example.

We have the highest expectations and aspirations for all our school family so that in faith we will...
be **nurtured & grow** so that we can all **achieve** our best.
