

## Standish Lower Ground St Anne's – Creative Curriculum overview

|  | Autumn Term   | Spring Term                 | Summer Term                         |
|---|---|-----------------------------|-------------------------------------|
|   | <p>At Standish Lower Ground St Anne's Primary School, we aim to foster a life-long love of learning, through an inspiring curriculum, nurturing the development of the whole child and in which every child can achieve. Themes which capture the children's interest and enthusiasm for learning have been chosen and are delivered in a cross-curricular approach where learning is engaging, relevant and meaningful. We believe it represents the world we live in and provides the experiences, skills and knowledge our children need to function as young people and adults in the 21st Century.</p> |                             |                                     |
| Rec   | <p>In our Reception, an environment will be created, amended and enhanced to ensure that children are able to demonstrate their skills, knowledge and understanding primarily through play and practical activities. Any 'topics' taught will take account of the children's own interests and ideas, and seasonal, global and topical events. Links will be made to the EYFS curriculum for Reception children</p>   |                             |                                     |
| Year 1  | Brilliant Britain   | Let's go on Safari!         | Seaside Holidays                    |
