Attendance Matters

Best Class Attendance

Year 1 94%

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is 94%

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Please make sure you are on time for school, lateness affects your attendance marks.

Goodbye to Rev Jenny

We are saddened to share the news that Rev Jenny Brown has left working in our school.

We send her into her new post as Urban Ministry Enabler in the Diocese of Blackburn with love and prayers.

Y6 Action Festival

Some of our Y6 pupils went to the action festival at Howe Bridge Leisure Centre. They took part in various activities such as climbing wall, scooters on a skate park, assault course, meditation and boxing!

The children were amazing and had a great time!
