Maths

Spring term coverage: shape, multiplication and division

Ongoing: Arithmetic, Reasoning and Times Tables

Characteristics of Learning

Perseverance

Listening

Team work

Kindness

English

Writing

High Quality Texts: Little Red by Bethan Woollvin

Big writes: wanted poster (character description), fact file and alternative ending.

Reading

Daily phonics/reading lessons and opportunities for reading for pleasure.

Science

Materials

In this topic, children will explore different materials and say why materials are suitable for different objects.

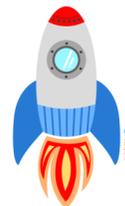

Wow Moment!

We will be making planes and having a competition to see whose flies the furthest!

History

How did we learn to fly?

In this topic, we will be exploring important events surrounding the history of flight and explaining how flying has changed the lives of others.

Design and Technology

Cooking and nutrition

We will explore the main food groups, describe the taste, feel and smell of a given food, think of three different wrap ideas and construct a wrap that meets the design brief and their plan.

Religious Education

Jesus

The children look at all of the ways that Jesus was special, how he made friends, why people wanted to be his friend and how he treated others. We will read many different stories about what Jesus did when he was sent from God.

Physical Education

Children will be learning rugby skills with Wigan Warriors Community Foundation and learning new dance skills.

Homework and Reading

Please make sure children continue to complete their homework weekly and reading books are returned daily.

Computing

Data handling: International space station

In this unit, Children will be using iPads to learn about the International Space Station, supporting their learning about space in history from last half-term.
