Characteristics of Learning

Perseverance	Listening
Team work	Kindness

Maths

During this half term, we will be working on our understanding of place value, addition and subtraction. The children will be working on building their mathematical vocabulary, fluency and mastery in number to encourage fast paced progression.

Ongoing: Arithmetic, reasoning and problem solving, and times tables. (Focus on 4s and 8s.)

English

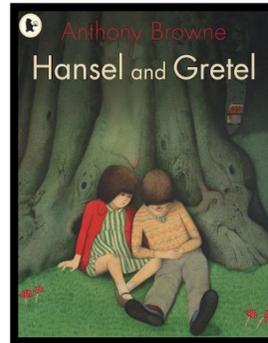

High Quality Text: Hansel and Gretel by Anthony Brown.

This term we will be working hard to build our spelling, vocabulary and grammar whilst building towards a setting description and narrative twist re-write. Before this, we will spend time building our vocabulary and writing skills having a try at a setting description write.

The children will be learning suffixes and prefixes throughout the year with a heavy focus in the first

Wow Moment!

in science!
Harvest Celebration!

H	T	O

The Ballad of Pine Mountain

Science

Animal: Movement and Nutrition

We will be looking at the different parts of the skeletal and muscular system this term with a focus on the joints and muscles needed to trigger movement. We will be focusing on diet and the things we need to ensure we have healthy bodies and look after ourselves well.

History

How have children's lives changed?

In this unit, we will be exploring the changes in the lives of children and will be focusing on what jobs children had, what they enjoyed doing in their spare time and the illnesses they experienced. We will then compare to how children live now and discuss the changes.

Music

Ballads: Mountains

The children will be working on using their words and voice to explain how the music makes them feel before moving onto building pieces of their own music in small groups, using the theme mountains as the hook.

Safe**

Religious Education

Harvest: How do different faiths celebrate Harvest?

We will be exploring the tradition of Harvest from a multi-faith aspect and will be comparing how the tradition is celebrated across the world by making a Sukkah. We will be ending this term with a celebration assembly to share our work.

Homework and Reading

Please make sure children continue to complete their homework weekly and reading books are returned daily.

Computing

Computing systems and networks: Online Safety. This term will be spent focusing on the safety aspects of being online. The children will be spending time on online learning platforms, learning the skills needed to use a computer/iPad.

Worship Rota

Monday	Class Worship
Tuesday	Collective Worship
Wednesday	Rev. Andrew & Jenny
Thursday	Celebration
Friday	Class Worship

Art

Growing Artists

The unit focuses on shading, textures and drawing techniques to help the children build their art skills. The children will be encouraged to forage for resources to use to create an abstract piece of art.

Spanish

Spanish Greetings.

This term we will be introduced to the basics in Spanish like greetings and the sounds used to make words.

Physical Education

PE will continue to be delivered through Com-mando Joe's and Wigan Athletic Community Trust throughout this term. The children will also be accessing weekly swimming lessons.

PSHE/SCARE

My Relationships

Throughout this unit the children will be encouraged to think about the relationships they have with others and how they can build on and work on their social skills.
