Attendance Matters

Best Class Attendance

Year Group - 5 99.35%

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is 95%

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Punctuality

St. Anne's attendance is improving which is great to see! However we need to improve the punctuality of our pupils. There are a number of pupils arriving late for school each day.

Please make sure you are on time for school, as lateness affects your attendance marks.

The school gates open at 8.40am
School starts at 8.45am.

If you arrive after this time you will be marked late.

Donations

We are looking for empty 2L pop bottles to make a greenhouse & empty washing up bottles for summer fun!

If you can donate any please send them into school each week up until the end of term.

Thank you
