- **Year 3 students have been creating intricate Rangoli patterns in their Religious Education lessons and preparing the backgrounds for their prehistoric paintings.**
- **Coram Life Education conducted S.C.A.R.F. Health and Well-being workshops in our school, covering topics on feelings, all about me, my wonderful body, friends and its great to be me, featuring the assistance of Harold the Giraffe for each class.**

Attendance Matters

Best Class Attendance

Year Group - Y6 99%

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is **95%**

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Punctuality

St. Anne's attendance is improving which is great to see! However we need to improve the punctuality of our pupils. There are a number of pupils arriving late for school each day.

Please make sure you are on time for school, as lateness affects your attendance marks.

The school gates open at 8.40am
School starts at 8.45am.

If you arrive after this time you will be marked late.

Parking

Please park carefully when dropping off and collecting your child from school.

We are having complaints about dangerous parking around Navigation Bank

Reminders

- School starts at 8.45am please make sure your child is here before this time.
- Please ensure your child brings their reading book to school every day.
