

St Anne's PE and Sports Funding Impact Report 2024-2025

Activity/Action	Impact	Comments
Continue to subscribe to scheme of work.	Scheme of works supports the delivery of a broad and balanced curriculum and ensures inclusion.	High engagement levels and positive attitudes are evidenced in PE lessons.
WACT and Wigan Warriors deliver high quality lessons, support staff development and engage and enthuse children.	High engagement levels and PE delivered by female role models.	A number of children attend out of school activities provided by WACT and Wigan Warriors.
Review and purchase resources to ensure engagement and motivation to participate in regular physical activity is improved.	Variety of resources used daily and led to more active children and reduction in behaviour incidents.	Children were involved in selecting resources to purchase.
Purchased Moki Bands.	Less active children were targeted at lunch-time to ensure their activity levels increased.	All children monitored twice in the school year.
Commando Joe's	Increased engagement in physical activity during each school week. 80 children attended the After School Club.	Dave worked across school again developing good relationships with children and staff.
After School Clubs	Over 100 children attended after school/lunch time clubs throughout the year.	Rugby, football, athletics, rounders, multi-skills and dance.
Structured Lunchtime Activities	Activity levels and participation increased and reduction of behaviour incidents.	Activities organized by Mrs Hunter and Mr Gibson.
Your School Games	Children were able to enjoy both competitive and non-competitive sporting events. School was awarded the Gold Award for 2024-2025.	At least five events were attended each term with a wide cross section of children attending.
