What has been going on in school:

- Year 1 have been learning about different animal groups. We spent some time sorting them into the right group. Then we worked in pairs to group them using different features.
- In RE, Year 2 looked at foods that truly reflect the Easter Story and which foods are 'just for fun'. They sampled some hot cross buns and some bunny marshmallows.
- Last week we celebrated World Book Day!
- This week in Reception, we have deepened our understanding of the numbers 6, 7 and 8. We have discovered what a double is and what an odd and even number is.
- Year Three have been exploring digital techniques to enhance their drawings from last week, resulting in a stunning array of vibrant artwork.
- Year 5 started their new topic of decimals this week and started to explore the place value of decimals using place value charts drawn on their tables!
- In Geography this week, Year 4 children have been researching what it means to trade responsibly. They did their own research and created an informative PowerPoint.

Attendance Matters

Best Class Attendance

Year Group - Y2 98 %

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is 95%

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Punctuality

St. Anne's attendance is improving which is great to see! However we need to improve the punctuality of our pupils. There are a number of pupils arriving late for school each day.

Please make sure you are on time for school, as lateness affects your attendance marks.

The school gates open at 8.40am

School starts at 8.45am.

If you arrive after this time you will be marked late.

Y6 Practice SAT's

Well Done to Year 6 who have worked extremely hard this week with practice SAT's exams.

We are very proud of each and everyone of you!
