What has been going on in school:

- Year 2 went out on a mini-beast hunt. They explored different micro-habitats and identified different mini-beasts and discussed why the mini-beasts lived there.
- Year 4 have been researching and designing our own mindfulness timer. They used micro:bit editor to create and debug a code that controls a timer.
- Year 5 have been building bridges in Design and Technology. Using struts to make them sturdy and secure.
- Reception have been exploring the story of Goldilocks and The Three Bears. They have been tasting sweet and salty porridge.

School Carpark

There are still quite a few parents parking on the car park at drop off and pick up times therefore the carpark gate will now be closed at these times.

If you have a carpark pass please contact the office when you are here. If you feel you require a carpark pass please contact the school office.

Attendance Matters

Best Class Attendance

Year Group - Y4 97 %

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is 94%

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Punctuality

St. Anne's attendance is improving which is great to see! However we need to improve the punctuality of our pupils. There are a number of pupils arriving late for school each day.

Please make sure you are on time for school, as lateness affects your attendance marks.

The school gates open at 8.40am

School starts at 8.45am.

If you arrive after this time you will be marked late.

stay safe online

Remember the 5 SMART rules when using the Internet and mobile phones.

S **SAFE** Keep safe by being careful not to give out personal information - such as your full name, email address, phone number, home address, photos or school name - to people you are chatting with online.

M **MEET** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A **ACCEPTING** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems - they may contain viruses or nasty messages!

R **RELIABLE** Information you find on the Internet may not be true, or someone online may be lying about who they are. Make sure you check information before you believe it.

T **TELL** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
