Maths

We will be working on fractions, money, time and position. We will also be learning about place value to 100. The children will be continuing their regular work on arithmetic ensuring they have developed a secure understanding of the 4 operations of Maths.

Characteristics of Learning

Perseverance

Listening

Team work

Kindness

Wow Moment!

We will be going on an exciting trip to Applecast Farm!

Homework and Reading

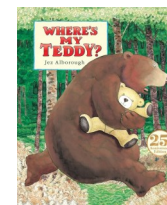

Please make sure children continue to complete their homework weekly and reading books are returned daily.

English

Where is my teddy? By Jez Alborough

Toys in Space by Mini Grey

We will be continuing our work on sentence structure and developing our independence in writing. We will also be doing weekly comprehension lessons to build the children's inference and retrieval skills.

Design Technology

Stable Structures

The children will be learning about stable structures. We will be designing our own pencil pots ensuring that they meet the design criteria and have the features discussed across the topic.

Computing

Digital Images

We will be developing creativity and imagination through planning a miniature adventure story and capturing it using photography techniques.

Religious Education

Creation

Children will be exploring the stories of Creation in Christianity, Hinduism and Islam.

They will take time to look at God's beautiful creation and have discussions on ways in which humans have made it better or worse.

Phonics

We will be continuing to work on alternative sounds and spellings.

SUPERSONIC
Phonic Friends

Music

Sound Patterns in Fairytales

In this unit, children will be introduced to the concept of sound patterns (rhythms).

They will explore clapping along to repeated words and phrases.

Play along with sounds and spoken words.

Our forest school date will be confirmed in the coming weeks.

Physical Education

In PE the children will be working on their fundamental skills of movement. We will be playing a range of different games and doing a range of different activities to help improve fine and gross motor skills.

Children should have a St Anne's PE kit in school which will be sent home at the end of the half term.

Geography

What is it like to live in

Shanghai?

In this topic, we will be learning about Shanghai, China and how it is different to the local area that we live in.

Children will be able to identify the physical and human features of this non-European country and compare them to a small area of the UK.

SHANGHAI
