Year 6 Curriculum Overview Summer 2

Art

Sculpture and 3D art: Making Memories

In this unit, children will explore how artists use art to capture memories and experiences. They will design and create their own meaningful artwork (a memory box), using a range of materials and techniques to represent an important memory or part of their primary school journey.

Characteristics of Learning

Perseverance

Listening

Team work

Kindness

Science Making connections: Are some sunglasses safer than others?

Children will investigate how different materials filter light and explore how sunglasses protect our eyes, using scientific enquiry to compare and evaluate their effectiveness.

Worship Rota

Monday	Class Worship
Tuesday	Collective Worship
Wednesday	Clergy Worship
Thursday	Celebration
Friday	Class Worship

Wow Moment!

End of school activities (e.g. Scotsman's Flash)

Homework and Reading

Please make sure children continue to complete their homework weekly and reading

Spanish Clothes in Spanish

Children will learn the names of different items of clothing in Spanish and practise speaking, reading and writing about what they wear using simple sentences.

Geography

Can I carry out an independent fieldwork enquiry?

Children will plan and carry out their own geographical investigation, collecting and analysing data to answer a question about their local area.

Design and Technology

Cooking and Nutrition: Come dine with me Children will develop their cooking and nutrition skills by planning, preparing and evaluating a healthy three-course meal, considering taste, presentation and nutritional value.

Religious Education

What is the nature and character of God?

Children will explore different beliefs about the nature and character of God, considering how these beliefs influence the lives and actions of religious people.

Class Dojo

Post-SATs Dojo Party We will be having a waterfight (weather dependent) Remember children are aiming for 100 dojos!
