17th July - Finish for Summer

What has been going on in school:

Year 3 were visited by the Blooming judges after they were shortlisted for this year's best School Garden Competition! They chatted with the judges and even shared some of their strawberries they have grown!

Class teachers have been helping the children stay cool by spraying them with the hose pipe. The children have loved it!

Year 2 have been investigating how castles have changed over time. They had to design their own castle that would survive an attack. Their designs were brilliant!

Mr Ivory visited Reception to tell them about his time serving in the Royal Navy. The children got to look at special artifacts and even try some on!

School Carpark

There are still quite a few parents parking on the car park at drop off and pick up times therefore the carpark gate will now be closed at these times.

If you have a car park pass please contact the office when you are here. If you feel you require a carpark pass please contact the school office.

Summer Fayre

If anyone is able to offer support in helping our PTA to plan the Summer Fayre, please contact the school office.

Any help would be very much appreciated either in the planning of the Summer Fayre or helping out on the day.

Attendance Matters

Best Class Attendance

Year Group - Y2 - 98%

A huge well done to you all and keep up the good attendance!

Whole School attendance

Overall school attendance is 94%

A high level of attendance gives children the best opportunity to learn and develop new skills, make better progress both socially and academically and have the best chance of success!

Punctuality

St. Anne's attendance is improving which is great to see! However we need to improve the punctuality of our pupils. There are a number of pupils arriving late for school each day.

Please make sure you are on time for school, as lateness affects your attendance marks.

The school gates open at 8.40am

School starts at 8.45am.

If you arrive after this time your child will be marked late.

Hot Weather Safety Tips

Drink water and beverages that contain electrolytes even if you don't feel thirsty.

Stay indoors and in air-conditioned areas.

Cool off by taking a bath or shower.

Wear light-weight, light-colored, and loose-fitting clothing.

Limit physical activity during the peak heat hours of 10 am - 3 pm.

Never leave children or pets in a parked car.

Wear sunglasses and sunscreen with SPF 15+.

Check on older adults including family, friends, or neighbors often.
