"It's good to talk"

As you know our school works at its best when there is good communication between home and school. This is why we ask for up to date phone numbers and contact details.

We post regular school updates on our twitter account. You can follow us at [@st_annesprimary](https://twitter.com/st_annesprimary)

We text, email, make phone calls and send home this monthly newsletter.

Please be aware the school web site is currently being renewed so some information on this is not up to date. We will let you know as soon as the new site is ready for launching.

The staff, at St Anne's, are keen to keep this excellent communication going, but are busy at the start of the day and at home time. If you have something that may take a little longer to discuss please pop into the office, ring or email school to make an appointment.

Thank you for your ongoing support.

Great attitudes and behaviour

We are very proud of all the children at St Anne's especially those with excellent behaviour. We have been reminding all the children about behaviour and tightening up our school rules.

Please continue to support us by helping your child adhere to the school rules:

- Be kind to others
- Be aware of others
- Be polite
- Move sensibly around school takes care of equipment and other people
- Listen then act appropriately

I would also like to remind everyone that children should not wear jewellery in school. Earrings should not be worn as they are a safety hazard. Please see Mrs Yates, or Miss Moran in the school office, if your child's earrings cannot be removed and supply plasters to cover their ears until the earrings can be removed.
